- Signed Route
- Other

Currently Planned Bikeways

- ⋯⋯⋯ Signed Route

Bikeways and Trails Network to be incorporated with development in this area as per approved plans: West of Conklin Secondary Plan and North of Shellard Neighbourhood and Recreational Plan.

Potential long-term connection over the Grand River

Investigate opportunity to improve active transportation access to proposed transit station when Wayne Gretzky Parkway is widened to 6 lanes

Special treatment required across Oak Road Bridge

Special treatment required across Tollgate bridge

DRAFT

Note: Shared-use trails are also known as multi-use trails. Boulevard Trails are shared-use trails located in the boulevard adjacent to a roadway corridor.
